What we collect

We may collect the following information:

• name

• contact information including email address

• demographic information such as postcode, preferences and interests

• other information relevant to customer surveys and/or offers

For the exhaustive list of cookies, we collect see the List of cookies we collect section.

What we do with the information we gather

We require this information to understand your needs and provide you with a better service, and in

particular for the following reasons:

• Internal record keeping.

• We may use the information to improve our products and services.

• We may periodically send promotional emails about new products, special offers or other

information which we think you may find interesting using the email address which you

have provided.

• From time to time, we may also use your information to contact you for market research

purposes. We may contact you by email, phone, fax or mail. We may use the information to

customise the website according to your interests.

Security

We are committed to ensuring that your information is secure. In order to prevent unauthorized

access or disclosure, we have put in place suitable physical, electronic and managerial procedures to

safeguard and secure the information we collect online.

How we use cookies

A cookie is a small file which asks permission to be placed on your computer's hard drive. Once you

agree, the file is added and the cookie helps analyze web traffic or lets you know when you visit a

particular site. Cookies allow web applications to respond to you as an individual. The web

application can tailor its operations to your needs, likes and dislikes by gathering and remembering

information about your preferences.

We use traffic log cookies to identify which pages are being used. This helps us analyze data about

web page traffic and improve our website in order to tailor it to customer needs. We only use this

information for statistical analysis purposes and then the data is removed from the system.

Overall, cookies help us provide you with a better website, by enabling us to monitor which pages

you find useful and which you do not. A cookie in no way gives us access to your computer or any

information about you, other than the data you choose to share with us. You can choose to accept or

decline cookies. Most web browsers automatically accept cookies, but you can usually modify your

browser setting to decline cookies if you prefer. This may prevent you from taking full advantage of

the website.

Links to other websites

Our website may contain links to other websites of interest. However, once you have used these

links to leave our site, you should note that we do not have any control over that other website.

Therefore, we cannot be responsible for the protection and privacy of any information which you

provide whilst visiting such sites and such sites are not governed by this privacy statement.

Sharing your personal information with third

parties

We will not sell, distribute or lease your personal information to third parties unless we have your

permission or are required by law to do so. We may use your personal information to send you

promotional information about new products, offers and changes in our website. You may request to

stop sending you promotional information by sending us an email on map3dlab@gmail.com
